It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education](#) Ofsted inspectors consider:

Intent - Curriculum design, coverage and appropriateness

Implementation - Curriculum delivery, Teaching (pedagogy) and Assessment

Impact - Attainment and progress

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school's budget should fund these.

Please visit [gov.uk](https://www.gov.uk) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding, including any under-spend from 2023/2024, as well as on the impact it has on pupils' PE and sport participation and attainment. **All funding must be spent by 31st July 2026.**

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2025. To see an example of how to complete the table please click [HERE](#).

Details with regard to funding

Please complete the table below.

Total amount allocated for 2025/26	£17,970
Total amount of funding for 2025/26. To be spent and reported on by 31st July 2026.	£17,970

Swimming Data

Please report on your Swimming Data below.

Meeting national curriculum requirements for swimming and water safety. N.B. Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts. Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the NC programme of study	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2026. Please see note above	81%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]? Please see note above	73%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	81%
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes/No

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

Academic Year: 2025/26		Total fund allocated: £17,970		Date Updated: July 2026	
Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school					Percentage of total allocation:
					99.9%
Intent	Implementation		Impact		
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated: £17798.04	Evidence of impact: what do pupils now know and what can they now do? What has changed?		Sustainability and suggested next steps:
• Ensure that all children participate in 2 x1 hours of high-quality PE sessions each week. • Ensure children have access to daily physical activity opportunities to improve physical fitness, mental well being and concentration • Ensure children have access to appropriate lunchtime sports equipment to encourage them to be physically active and engaged in physical games • Ensure all children in Year 6 can swim 25metres and have completed water safety module • Have clear assessment tool in place for	• Ensure all staff are aware of LTP for PE and the resources that support the delivery of PE (Primary P.E. Planning) are available • Provide staff with appropriate training and guidance in being able to deliver high quality PE lessons. • Provide staff with skills progression sheets for all PE lessons taught. • Ensure that there are appropriate resources to support the delivery of the PE curriculum and that there are resources to support those pupils who require an adapted curriculum (PE lead to audit resources and place orders as appropriate)	£695 - Primary P.E. Planning £3007.50 – Brixham swimming pool & transport to it. £4204.54 – P.E. Resources	LTP has been completed with progression of skills for each activity. Resources have been purchased which match up with the new schemes of work. Variety of outdoor equipment has been purchased following discussions with the school council. This has increased the range of different activities on offer during break and lunchtimes. There is clear evidence of greater pupil engagement. Employed sports leader / lunchtime play instructor has engaged in CPD opportunities to further develop variety of activities on offer. Children are enjoying physical activity because it's fun.		Continue training and guidance with the delivery of high-quality PE. Annual audit of equipment at the start of September 2026. PE subject lead to support less confident staff. Further planning into zoning playtimes and lunchtimes into activity specific areas. Continue to develop the playground environment to support fun physical activities.

tracking PE.	• Purchase outdoor lunchtime equipment (PE and Sports Leader) • Employment of specialist swimming instructor • Employment of specialist sports teacher (SST) • Ensure appropriate resources are available. • Staffing support at lunchtime to engage more children in organised activities, provided by Premier Sports • Clear lunchtime plan / timetable for activities to engage all. • Use of 'Create Development' as a tool to assess children in PE.	£7341 – Brixham Development Academy	Lunchtimes are highly active with an array of engaging activities. Each child is given an opportunity to exceed the 30 mins of physical activity in a school day. Employment of specialist sports teacher has been integral to the increased activity time of the children. The school has been successful in achieving a road closure outside of school as part of the safer streets project. This has provided safer routes to school and increased the number of children either walking, cycling or scooting to school. Children have learnt about the importance of healthy and safe lifestyles. Swimming lessons for all KS2 classes up at the Admiral Pool in Brixham. We again participated in the annual Big Walk & Wheel national initiative	Continue to develop initiatives such as walking bus, cycle or scooter to school.
--------------	---	-------------------------------------	--	--

Key indicator 2: The profile of PESSPA being raised across the school as a tool for whole school improvement				Percentage of total allocation:
				0%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?	Sustainability and suggested next steps:

• Ensure children have opportunities to experience sporting workshops and events to inspire and provide children with new experiences • Children in year 5 & 6 have the opportunity to become sports Leaders to help support younger pupils in fairness and self-responsibility when involved in physical active games. • School to provide after school PE clubs across the year to enable all groups of pupils to attend and participate in intra and inter school competition. • To ensure that physical wellbeing, healthy lifestyles and healthy eating is delivered as part of the school's PSHE curriculum. • Ensure that PE and sport is visible within the school (School PE notice board, website, celebration of PE achievement, trophy cabinet)	• PE lead to ensure workshops and events are planned across the year with all year groups (Tri golf, Archery, abseiling) • PE lead to provide training for sports leaders • PE lead to ensure that children have access to sporting clubs after school • PE lead to monitor and ensure that PSHE curriculum is being delivered. • PE lead to conduct pupil survey on PE and healthy lifestyles. • PE lead to ensure that PE notice board and website are up to date detailing: • sporting achievements • Links to outside sports clubs • Intent, implementation and impact PE statement • Achievements in PE to date / since the funding • Sporting hero of the term • Parent leaflets / information about the importance of healthy lifestyles.	£0	Links with Brixham Cricket Club continue to be very strong, 80 boys and girls regularly attend nets on a Friday. A couple of their coaches ran a whole day's coaching, with every year group having a session. Links with Brixham Town football club are also excellent and 40 boys and girls regularly play. Links with Brixham Rugby Club are also strong with around 30 children playing regularly. We again participated in their annual festival with other local school. This year we have had a local karate club run taster session for all year groups. We are now providing an increased variety of after school clubs e.g. Muay Thai, gymnastics. We are now providing an increased variety of lunchtimes activities, e.g. swing ball, Velcro balls and pads. Sports Leaders lead engaging fun active activities for children who are less active. Children are more active than before. Physical wellbeing has been delivered through the Jigsaw (PSHE) program of work. Children are more aware of the	Develop more links with local clubs. Signpost the children to taster sessions offered by local community clubs.
---	---	-----------	---	--

			factors of a healthy body and mind. A survey was carried out with all KS2 children asking them sports and activities they enjoyed. This has led two a couple of tweaks to the curriculum and a wider variety of activities available at lunch times. Sporting achievements are celebrated in our weekly celebration assembly	
--	--	--	---	--

Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport				Percentage of total allocation:
				0%

Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?	Sustainability and suggested next steps:
- To provide staff with professional development, mentoring, training and resources to ensure that they are able to confidently teach PE and sport to all pupils. - School to employ specialist sports teacher (0.5) to lead PE lessons and sporting events / clubs - School to work towards afPE Quality Mark to ensure that all pupils are receiving the best possible PE provision - School to ensure that MTAs are trained in basic lunchtime active games in order to	- PE lead to provide staff with full access to all Primary Planning Resources - PE to provide bespoke CPD as part of school improvement and INSET meetings. - PE lead to arrange for training and CPD as appropriate		PE Lead/ Sport specialist has supported less confident staff in the delivery of PPP. As a result, all teachers are more confident in delivering the program. Training has taken place with MTAs to support them with ideas to help promote active playtimes. This has really benefited the children as they are more active and happy.	Continue the support network and start to share good practices. Continue with structured timetable of training with dates and clear outcomes. Opportunities to discuss with the MTA's successes and areas to develop at lunch times.

support and encourage physically active games at lunchtime				
Key indicator 4: Broader experience of a range of sports and activities offered to all pupils				Percentage of total allocation:
				0%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?	Sustainability and suggested next steps:
- Ensure school is aware of the children's views on PE and sport and which activities they would like to experience. - School to ensure there are opportunities for all pupils to further their interest in PE and sporting activities outside of school - School to ensure that all pupils in KS2 have an opportunity to attend an overnight residential trip. - To ensure that all children have the opportunity to compete in intra school competition.	- PE lead to conduct pupil survey with school council, feedback data to HT and plan for pupils to have access to workshops, experiences or clubs. - PE lead to provide information by noticeboard / website/ direct contact with parents re the clubs and opportunities on offer outside of the school day. - PE lead to ensure that he notifies and provides opportunities to parents of those pupils identified as gifted and talented. - PE lead to ensure that the annual sports day enables all children to compete (Team events)	£0	The school now has Sports Leaders who promote and support the development of PE and physical activities at breaktime & lunchtime. Pupils in year 4-6 groups have shown evidence of a large skill increase, especially during outdoor adventurous activities and water sports. The number of children reluctant to take part decreases with each year of experience. Children can complete more challenging activities on residential as they are prepared fully from their main curriculum programme. We have once again provided Bikeability lessons at levels 1 & 2 open to all of KS2.	Continue with Potheridge House residential week. Link with the local outdoor centre to encourage more children to take part in outdoor education. Hopefully possible taster sessions. Instructors to come into school to lead outdoor education activities- orienteering. Team building activities. Find a new provider for Year 4 overnight residential after the closure of Warren Barn.
Key indicator 5: Increased participation in competitive sport				Percentage of total allocation:
				0%

Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?	Sustainability and suggested next steps:
- Ensure that the school attends at least 2 /term competitive events across the year (Inter school competition) across a variety of sports and age groups (Football, Netball, Swimming gala) - School to participate in National sporting initiatives to include Sports Relief, Big Pedal and to enter the competitive elements. - School to ensure that all children have the opportunity to compete against each other in house matches and sports days.	PE lead to plan competitive matches and events against local schools.	£0	The Y5/6 boys, Y5/6 girls and Y3/4 mixed all take part in a local football league. As a result, many of the children have signed up to local clubs. The school also participated in several Torbay-wide football competitions held at Plainmoor, the home of Torquay United. The school took part in the big walk and wheel which was very successful. The participation rate remained at a good level. Another very successful sports day where all the school children competed in a variety of events, representing their house teams.	Continue with the football clubs. Try to link up with local schools to play other sports such as netball, basketball and cricket. Continue the initiatives trying to increase the number of children taking part. Develop intra-matches between classes. Football, tag rugby and basketball.
