Revision for SATs Project work		
<b>Big Picture</b>									
This project teaches children about Africa past and present and the development of the slave trade. It also explores Britain’s role in the transatlantic slave trade, the causes and consequences of the European colonisation of Africa and the worldwide communities that make up the African diaspora.		<b>British Values</b> 		<b>Individual Liberty</b> <b>Rule of Law</b> <b>Mutual Respect</b> <b>Tolerance</b> <b>Democracy</b>					
<b>History</b>	<b>English</b>		<b>Maths</b>		<b>Science</b>		<b>Art</b>		
History is our driver subject this term. We will be learning all about how African people were forcibly taken from their villages and marched to coastal trading forts on the west coast of Africa. We will learn about how enslaved workers who tried to escape or rebel were severely punished.	We will be developing our writing through: Narrative – Alma “film clip” Recounts and diaries - linked to the African Slave Trade Explanation Text – The Triangular Slave Trade		We will be consolidating all our learning from this year so far in preparation for our SATs:  Arithmetic, Fractions, Decimals, Percentages, Coordinates, Shape, Position and Direction, Statistics, Area, Perimeter and Volume.		Evolution and Inheritance will teach us how living things on Earth have changed over time and how fossils provide evidence for this. Also how characteristics are passed from parents to their offspring. Light theory will teach us about the way that light behaves, travelling in straight lines from a source or reflector, into the eye.		We will be doing a project that teaches children about the concepts of abstraction and distortion. They study the visual characteristics of abstraction and create a musically-inspired, abstract painting.		
<b>French</b>	<b>PE</b>		<b>Computing</b>		<b>PSHE</b>		<b>RE</b>		
We will be learning how to name foods and give opinions on them (and someone else’s) and what foods to eat in certain weathers.	We will be focusing on team building as well as learning skills for playing rounders and cricket on the green. In preparation for Sports Day we practise Athletic skills too.		Using the chrome books for transition and research for our project work. Choosing Canva or PowerPoint to present our project.		Relationships and Changing Me focuses on the children being individuals and their awareness of who is important to them in their life.		Our focus will be the Christian Religion and why Sundays are important.
